AGREEMENT

THIS AGREEMENT is entered into as of October 1, 2017 between NASSAU COUNTY, FLORIDA, hereinafter referred to as the Public Employer, and the NORTHEAST FLORIDA PUBLIC EMPLOYEES LOCAL 630, LABORERS' INTERNATIONAL UNION OF NORTH AMERICA (AFL-CIO), hereinafter referred to as the Union. It is the intent and purpose of this agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth herein basic and full agreement between the parties concerning rates of pay, wages, hours of employment, and other terms and conditions of employment. There are not and shall be no individual arrangement contrary to the terms herein provided. Either party hereto shall be entitled to require specific performance of the provisions of this agreement. It is understood that the County of Nassau is engaged in furnishing essential public services which vitally affect the health, safety, comfort, and general wellbeing of the public and both parties hereto recognize the need for continuous and reliable service to the public.

ARTICLE 1 - UNION RECOGNITION

1.1 Pursuant to and in accordance with all applicable provisions of Chapter 447, Florida Statutes, the Public Employer recognizes the Union as the exclusive collective bargaining representative for those employees (All references to employees in the male gender of this agreement are used for convenience only, and should be interpreted to include both males and females) in the defined bargaining unit (See attached Appendix "A"), for the purpose of bargaining collectively in the determination of the wages, hours and terms and conditions of employment of the public employees within the bargaining unit; unless and until recognition of such bargaining representative is withdrawn by a vote of the majority of the employees represented. Employees shall mean all classified employees who are employed by Nassau County and whose classifications appear on the attached Appendix A. Specifically excluded are: department heads, division chiefs, agency heads, managerial and confidential employees within the meaning of Section 447.203 (4,5), Florida Statutes, all other employees of Nassau County and its other agencies not specifically included in Appendix A, and all employees of the Nassau County School Board.

1.2 It is further understood and agreed that the Business Manager of Local 630, Laborers' International Union of North America, AFL-CIO, or his alternate will be the official spokesman for said union in any matter between the Union and the Public Employer. Any alternate designated by the Business Manager shall be designated in writing and the period of time covered by such designation shall be included in such written designation.

ARTICLE 2 - UNION SECURITY AND CHECK OFF

2.1 The Public Employer will place one (1) copy of this agreement, as updated, in each working location. The Public Employer will also provide a copy of this agreement to employees of the bargaining unit, as requested to Human Resources.

2.2 In accordance with Chapter 447, Florida Statutes, public employees shall have the right to form, join and participate in or refrain from forming, joining or participating in an employee organization of their own choosing. They shall have the right to be represented by an employee organization of their choosing to negotiate collectively through a certified bargaining agent with the Public Employer in the determination of the terms and conditions of their employment.

2.3 Upon receipt of a written authorization from an employee covered by this agreement, the Public Employer will deduct from the employee's pay the amount owed to the Union by such employee for dues. It is understood that this provision will provide for twenty-six (26) deductions per year. The Public Employer will remit to the Union such sums within thirty (30) days. Changes in the union membership dues rate will be certified to the Public Employer in writing over the signature of the authorized officer or officers of the Union, and shall be done at least thirty (30) days in advance of the effective date of such change. The Public Employer's remittance will be deemed correct if the Union does not give written notice to the Public Employer within two (2) calendar weeks after a remittance is received, of its belief, with reason(s) stated therefore, that; the remittance is incorrect.

2.4 No deduction shall be made from the pay of any employee for any payroll period in which the employee's net earnings for that payroll period are less than the amount of dues to be checked off. Net earnings shall mean net after required deductions of federal taxes, social security, pensions, credit union and health and life insurance. Any dues not deducted shall be deducted the following pay period.

2.5 The Public Employer will deduct and transmit bi-weekly to the Northeast Florida Public Employees PAC Fund up to \$4.00 a pay period from the wages of those employees who have voluntarily authorized such deductions on a form provided for that purpose by the Union. The transmittal shall be accompanied by a list of the employees from whom such deductions have been made and the amount deducted from each employee.

2.6 The Employer will deduct and transmit, monthly to the Northeast Florida Public Employees Group Legal, an amount designated by the Union, from the wages of those employees who have

voluntarily authorized such deductions on a form provided for that purpose by the Union. The transmittal shall be accompanied by a list of employees from whom such deductions have been made and the amount deducted from each such employee.

2.7 The Union will indemnify, defend, and hold the Public Employer harmless against any claim made and against any suit instituted against the Public Employer on account of any deductions for union dues, group legal or PAC fund.

2.8 An employee may revoke his authorization for deduction of the union dues, uniform assessments, group legal or PAC fund, provided the employee gives thirty (30) days notice to the employee organization and the Public Employer by certified mail. Dues revocation will be processed through the Union.

ARTICLE 3 - MANAGEMENT SECURITY

3.1. The Union and its officers, Agents and members agree that during the life of this agreement, they shall have no right to instigate, promote, sponsor, engage in or condone any strike, slowdown, concerted stoppage of work, or intentional interruption of employer operations, during the term of this agreement. The consideration for such provision is the right to a resolution of disputed questions. Management shall have the right to discharge or otherwise discipline any or all employees who violate the provisions of this paragraph. The only question that may be raised in any proceeding, grievance, judicial or otherwise, contesting such action is whether the provisions preventing strikes, slow-downs, concerted stoppages of work, or intentional interruptions of employer operations was violated by the employee to be discharged or otherwise disciplined.

3.2 A. The Union, its representatives, agents, members or any persons acting on their behalf agree that "other unlawful acts" as defined in Chapter 447, Florida Statutes, are expressly prohibited.

B. No employee organization shall directly or indirectly pay any fines or penalties assessed against individuals pursuant to the provisions of this part.

C. The circuit courts of this state shall have jurisdiction to enforce the provisions of this section by injunction and contempt proceedings, if necessary. A public employee who is convicted of a violation of any provision of this section may be discharged or otherwise disciplined by his Public Employer, notwithstanding further provisions of any collective bargaining agreement.

3.3 The Public Employer and the Union agree that the basic intent to this agreement is to provide a fair day's work in return for a fair day's pay, and to provide conditions of employment suitable to maintain a competent work force. The Public Employer and the Union affirm their joint opposition to any discriminatory practices in connection with employment, promotion or training, remembering that the public interest requires the full utilization of employees' skill and ability without regard to race, color, creed, national origin or sex. Furthermore, the Public Employer agrees to abide by any applicable Florida Statute pertaining to public employment within the scope or knowledge of the Public Employer.

3.4 The Employer and the Union agree to comply with the Americans with Disabilities Act of 1990.

ARTICLE 4 - MANAGEMENT RIGHTS

4.1 It is the right of the Public Employer to determine unilaterally the purpose of each of its constituent agencies, set standards of service to be offered to the public, and exercise control and discretion over its organization and operations, including the right to sub-contract. It is also the right of the Public Employer to direct its employees, take disciplinary action for proper cause, and relieve its employees from duty because of lack of work or for other legitimate reasons, provided, however, that the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matters have the practical consequences of violating the terms and conditions of this collective bargaining agreement.

ARTICLE 5 - SPECIAL MEETINGS AND COMMITTEES

5.1 The Public Employer and the Union agree to meet and confer on matters of interest upon the written request of either party. The written request shall state the nature of the matters to be discussed and the reason(s) for requesting the meeting. Factors to be considered shall be actual pay, benefits, hazards of the job, duties expected and required and other related conditions that would be included as factors. Discussion shall be limited to matters set forth in the request or other subjects mutually agreed to, but it is understood that these meetings shall not be used to re-negotiate this agreement. Such special meetings shall be held within ten (10) calendar days of the receipt of the written request, and at a time and place mutually agreeable to the parties. The Union shall have the right, at these special meetings, to recommend to the Public Employer corrections to any inequities known to the Union. The Public Employer shall respond in writing to the affected employees within ten (10) calendar days, with a copy forwarded to the Union.

ARTICLE 6 - UNION STEWARDS AND UNION REPRESENTATION

6.1 The Public Employer recognizes and shall deal with all the accredited union stewards, the union Business Manager, and any other officer listed in Section 1.2 of this agreement in all matters relating to grievances and interpretation of the agreement.

6.2(A) Employees covered by this agreement will be represented by Stewards so designated by the Union in the following locations.

<u>LOCATION</u>	<u>NUMBER OF STEWARDS</u>
Westside R&B	1
Eastside R&B	1
Facilities Maintenance	1
Custodial	1
Solid Waste	1
Animal Control	1
NAU	1

(B)The Union may appoint two (2) of the above stewards as Roving Stewards.

6.3 The Public Employer and the Union recognize the need for expansion within Nassau County. When additional permanent work locations are created, the Public Employer and the Union will meet, at the request of either party, for the purpose of mutually determining the stewardship needs of the Union. A written list of the union stewards, and alternates, shall be furnished to the Public Employer prior to the effective date of their assuming duties of office. The Union shall notify the Public Employer promptly of any changes of such union stewards. No union steward will perform any grievance work unless the above has been complied with. The alternate steward shall only perform as a steward in the event of the physical absence of the regular steward.

6.4 Officials of the Union, as designated in Section 1.2 of this agreement may, with proper authorization, which will not be unduly withheld, be admitted to the property of the Public Employer. Officials, as designated above, shall be able to talk with employees before or after regular working hours or during lunch hours of said employees on Public Employer's property in areas mutually agreed on by the Union and the Public Employer.

6.5 Arrangements will be made for officers or accredited representatives of the Union to be admitted to the property of the Public Employer during working hours for the purpose of ascertaining whether or not this agreement (contract) is being observed by the parties, provided such visitation is not disruptive to the work force. When an area or building belonging to the Public Employer is not normally open for visitation, then the Public Employer shall provide a responsible escort to that union officer or accredited representative provided this service is arranged for in advance.

6.6 The Public Employer agrees to give at least thirty (30) calendar days notice to the Union prior to any vote by the Board of County Commissioners of Nassau County having the net effect of reducing the work force of the bargaining unit.

6.7 All files of the employee shall be open for investigation by the appropriate union steward in the investigation of any grievance. However, such investigation will be in the presence of or with the permission of the employee.

ARTICLE 7 - UNION ACTIVITY

7.1 The following sections outline the duties and responsibilities of stewards in performing their functions as recognized union representatives. In those cases which cannot be resolved otherwise, designated union stewards shall be granted reasonable time off, without loss of pay, to investigate and settle grievances at Step 1 and above, when such investigation is required for the prompt and effective settlement of the grievance in question. Work loss must be minimized. It is acknowledged that the steward must advise his supervisor of the requirement and secure permission before conducting such investigation and such permission will not be unduly withheld. In the investigation of grievances, stewards shall not be allowed to unduly hamper the work operations of the Public Employer by conferring with other employees. Union stewards shall normally investigate and settle grievances on the job site which is within their designated jurisdiction. Union stewards shall not conduct any grievance work on premium time except in emergency situations occurring during such premium hours that involve suspension or discharge. Supervisory permission shall be given verbally to the union steward provided that said verbal authorization insures adequate control of the steward's time, otherwise written permission shall be required. If it becomes necessary for a union steward to receive written permission, the Public Employer will provide a form which will be used for this purpose. Upon returning to his work assignment, the steward shall report to his immediate supervisor unless prior consent not to do so has been secured.

7.2 Union stewards shall be active employees, and shall be members of the bargaining unit.

7.3 Union representatives and union stewards while on public property are subject to the same rules of the Public Employer as are all other public employees, except as specifically provided in this agreement.

7.4 Active solicitation by the Union of grievances and the collection of union monies shall not be engaged in on public property, and during the working hours of those employees being solicited, if such is the case.

7.5 While on a leave of absence, no employee shall function as a union steward without mutual consent of the Union and the Public Employer.

7.6 When it becomes necessary for a union steward to enter an area other than his own for the purpose of conducting union business authorized by this agreement, he must secure permission from the supervisor of that area and notify him of his presence and

the general nature of his business. Such permission shall not be unduly withheld.

7.7 Nothing in this agreement shall be construed to prevent any public employee from presenting, at any time, his own grievance, in person or by legal counsel to his public employer, and having such grievance adjusted without the intervention of the bargaining agent, if the adjustment is not inconsistent with the terms of the collective bargaining agreement when in effect, and if the bargaining agent has been given reasonable opportunity to be present at any meeting called for the resolution of such grievance.

7.8 Employees of the designated bargaining unit shall have a right to join the Union, to engage in lawful concerted activities for the purpose of collective negotiation or bargaining and other mutual aid and protection, to express or communicate any view, grievance, complaint or opinion, within the bounds of good taste, relating to the conditions or compensation of public employment or its betterment, all free from any restraint, coercion, discrimination or reprisal. There shall be no restraint, discrimination, intimidation or reprisal against any employee because of that employee's membership, or lack of membership, in the Union or by virtue of his holding office, or not holding office in the Union. This provision shall be applied to all employees in the bargaining unit by the Public Employer and the Union.

7.9 It is agreed that all stewards have productive work to perform as assigned by the Public Employer. The parties agree that each will cooperate with the other in reducing to a minimum the actual time spent by union representatives in investigating, presenting, and adjusting grievances or disputes.

7.10 The Public Employer shall allow up to sixteen (16) hours of on-duty steward training per fiscal year per Union Steward listed in 6.3. Approval for such training must be obtained at least thirty (30) days in advance.

ARTICLE 8 - GRIEVANCE PROCEDURE

8.1 A grievance is defined as a claim reasonably founded on a violation of this Agreement. Any grievance filed shall refer to the provisions or provisions alleged to have been violated and shall adequately set forth the facts pertaining to the alleged violation. The grievance will systematically follow the steps of the grievance procedure contained in Article 8, except as otherwise provided for in Florida Statutes, 447.401.

STEP I:

The aggrieved employee shall present the grievance in writing to his or her Immediate Supervisor within ten (10) work days of the date the employee had knowledge of the event giving rise to the grievance or within ten (10) work days of the date the employee reasonably should have had knowledge of the event giving rise to the grievance. The Immediate Supervisor shall meet with the aggrieved employee, and at the employee's request, the appropriate union representative concerning the grievance. The Immediate Supervisor shall notify the aggrieved employee of his decision in writing, with a copy to the Union, not later than ten (10) workdays following the meeting date.

STEP II:

If the employee is not satisfied with the Step I decision, the aggrieved employee may within ten (10) work days of receipt of the Step I decision, submit a written appeal to the Department Head. The Department Head shall meet with the aggrieved employee, and at the employee's request, the appropriate union representative, within ten (10) work days following receipt of the written appeal. The Department Head shall obtain the facts concerning the alleged grievance and provide his or her decision in writing, to the employee, with a copy to the Union and the County Manager not later than ten (10) work days following the meeting date.

STEP III:

If the aggrieved employee is not satisfied with the Step II decision, the aggrieved employee may submit a written appeal to the County Manager within ten (10) work days of receipt of the Step II decision. The County Manager shall meet with the aggrieved employee, and at the employee's request, the appropriate union representative, within ten (10) work days of receipt of the appeal. The County Manager shall render a written decision to the employee, with a copy to the Union and the Department Head, within ten (10) work days of the meeting. The County Manager's decision will state the grievance and, if applicable, pertinent policies or regulations.

8.2 Rules for Grievance Processing:

It is agreed:

(a) The time limit at any stage of the grievance procedure may be extended by written mutual agreement of the parties involved at that step.

(b) A grievance presented at any of the above steps shall be dated and signed by the aggrieved employee presenting it.

(c) Failure to follow the Rules for Grievance Processing outlined herein will result in the denial of the grievance.

(d) When a grievance is presented, the Public Employer's representative shall acknowledge receipt of it and the date thereof in writing.

(e) A grievance not advanced to the higher step within the time limit provided shall be deemed withdrawn and as having been settled on the basis of the decision most recently given. Failure on the part of the Public Employer's representative to answer within the time limit set forth in any step will entitle the employee to proceed to the next step.

(f) In computing time limits under this Article, Saturdays, Sundays, and holidays shall not be counted.

(g) When a grievance is reduced to writing, there shall be set forth in the grievance all of the following:

1. A complete statement of the grievance and the facts upon which it is based.
2. The section or sections of this agreement claimed to have been violated.
3. The remedy or correction requested.

(h) In settlement of any grievance resulting in retroactive adjustment, such adjustment shall be retroactive to the date of the occurrence of the violation.

(i) Grievances filed by the Union affecting two (2) or more employees in accordance with Section 8.1, shall be signed by the designated steward or the appropriate union representative and shall contain the names of the aggrieved employees. Thereafter, it shall follow the procedure as set forth in Article 8 entitled Grievance Procedure.

(j) The Union shall be notified of all grievance hearings and

shall be allowed to attend any grievance hearing per F.S. 447.310(4). Said notification shall be deemed complete upon written notice to the member giving rise to the grievance.

8.3 Arbitration. If the grievance is not settled in accordance with the provisions of Article 8.1, the Public Employer, or the Union, as the case may be, may request arbitration by serving written notice of intent to appeal on the County Manager, no later than twenty (20) work days after receipt of the Public Employer's response in Step III, together with a written statement of the specific provision(s) of this agreement at the issue. If the grievance is not appealed to arbitration within said twenty (20) work days, the Public Employer's Step III answer shall be final and binding upon the aggrieved employee and the Union. Upon appeal to arbitration, the Public Employer or employee may, in the written notice requesting arbitration, include the names of two (2) Florida Supreme Court approved mediators for the Fourth Judicial Circuit, either of whom is acceptable to the Union, Public Employer or employee to arbitrate the grievance. If the two (2) parties involved in the selection do not mutually agree upon the selection of one (1) of the persons listed or some other person qualified to arbitrate, then the parties may request the services of the Federal Mediation and Conciliation Service (FMCS). If the Federal Mediation and Conciliation Service (FMCS) is utilized, the arbitrator shall be chosen pursuant to their procedures. Notwithstanding the provisions of this section, an arbitrator other than outlined above may be mutually selected by the parties to the arbitration proceedings.

Section 1. At the conclusion of the arbitration hearing, post hearing briefs may be filed at the request of either party or the arbitrator. The arbitrator shall have thirty (30) days after the hearing is concluded, or receipt of briefs, to render his award that findings of fact. Post-hearing briefs must be filed within thirty (30) work days of the arbitration hearing.

Section 2. With respect to the interpretation, enforcement or application of the provisions of the agreement, the decisions, findings and recommendations of the arbitrator shall be final and binding on the parties to this agreement. However, the authority and responsibility of the Public Employer as provided by Chapter 447, Florida Statutes, shall not be usurped in any manner unless specifically amended or modified by this agreement.

Section 3. The arbitrator shall have no authority to modify, amend ignore, add to, subtract; from, or otherwise alter or supplement this agreement, or any part thereof, or any amendment thereto. The arbitrator shall consider only the specific issue(s) submitted to him in writing by the Public Employer and the Union and shall have no authority to consider or rule upon any matter

which is stated in this agreement not to be subject to arbitration, or which is not specifically covered by this agreement. All testimony given at the arbitration hearing will be "under oath". The arbitrator may not issue declaratory or advisory opinions and shall be confined exclusively to the question(s) which is presented to him, which question(s) must be actual and existing. The arbitrator shall submit in writing his decision within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever is later, provided that the parties may mutually agree in writing to an extension of said limitation. Consistent with this section, the decision of the arbitrator shall be exclusively based upon specific findings of fact and conclusions based thereon, which findings of fact and conclusions shall be the predicate for any decision made by him. In rendering any decision, the arbitrator shall only consider the written, oral or documentary evidence submitted to him at any hearing set. The decision of the arbitrator shall be final and binding. In any event occurred or failed to occur prior to the effective date of this agreement, it shall not be the subject of any grievance hereunder, nor shall the arbitrator have the power to make any decision concerning such a matter.

Section 4. It is specifically and expressly understood that taking a grievance to arbitration constitutes an election of remedies and a waiver of any and all rights by the appealing party and all persons it represents.

Section 5. The cost and expense incurred by the impartial arbitrator shall be shared equally by both parties. If a transcript of the proceedings is requested, then the party so requesting shall pay for it. If an employee acting independently of and in disregard of the position of Union in matters relating to arbitration, such employee shall pay his share of the expenses of the arbitrator's cost and expense.

ARTICLE 9 - DISCHARGE AND DISCIPLINE

9.1 Employees in the bargaining unit, except those serving an original probationary period, shall not be discharged, suspended, docked, or otherwise disciplined except for cause. Any dispute over suspension, discharge, or other disciplinary action may be submitted to the grievance procedure as set forth in Article 8.

A new hire serving an original probationary period is considered an "at will" employee and therefore does not have rights under Article 9.

9.2 Employees shall have the right to review their official personnel file upon reasonable request to the Human Resources Department. The employee shall have the opportunity to submit a written statement responding to any reprimand issued. The employee's responding statement will be entered in the personnel file and attached to the reprimand.

9.3 Disciplinary Action

All disciplinary actions shall occur within forty-five (45) days of the event given rise to the discipline and shall normally be progressive when deemed appropriate. The Employer may exceed normal progressive discipline when an employee has committed a number of unrelated offenses. The following are intended as examples of disciplinary actions:

1. Reprimand given orally (oral reprimands may be for the purpose of counseling employees as to possible problems with performance).
2. Reprimand given in writing.
3. Suspension without pay.
4. Dismissal.

The employee will be required to sign this reprimand, such signature shall only acknowledge receipt of the reprimand and shall not mean the employee agrees or disagrees with the reprimand.

9.4 Oral and Written Reprimands

A copy of all oral and written reprimands shall be furnished to the employee and the union steward within one (1) week from the date the employee signs the reprimand. The supervisor shall advise the employee that he has a right to have a union steward present at the time the reprimand is issued. After twelve (12) months from the date of issue, all oral reprimands shall become null and void, as

evidenced by a stamp with copies provided to the appropriate union steward and employee. After becoming void, oral reprimands may not be used as a basis for discharge or disciplinary action.

9.5 Suspensions and Dismissals

Progressive discipline will be applied when deemed appropriate, in the sole discretion of the County. Each situation is determined on its specific facts and depending upon the severity of the offense and other relevant factors could lead straight to suspension or dismissal.

Employees subject to Steps 3 or 4, as outlined in Article 9.3, shall have the right to a factfinding meeting, unless said action is for Unscheduled Leave as outlined in Article 27. The appropriate union steward shall be present at such meeting along with the Department Head and the supervisor who has made the charge. Upon completing the fact-finding, the Department Head shall provide a written recommendation with all supporting documentation to the County Manager and Human Resources for approval of the outcome prior to implementation. This section shall not apply to drunken, disorderly or disruptive conduct by the employee. The union steward and the employee shall receive written notice of the charges against the employee twenty-four (24) hours in advance of such meeting.

ARTICLE 10 - VOLUNTARY SEPARATIONS

10.1 An employee who desires to resign or retire from Nassau County shall submit a written notice to the Department Head no less than ten (10) working days in advance of the final work day. Last days of employment shall fall on a normal working day in which the employee is scheduled to work. The written notice, or a copy thereof, shall be filed in the employee's personnel file.

10.2 Employees are not eligible to use accrued leave during the last two (2) weeks of employment; however, employees may use leave without pay during this time with Supervisor/Department Head approval.

10.3 No employee shall absent himself from duty without authorized leave except in cases of sickness or emergency. An employee who is absent without authorized leave of absence for three (3) consecutive working days shall be deemed to have abandoned his position and to have resigned.

ARTICLE 11 - VACATION LEAVE

11.1 Article 11, in its entirety, does not apply to employees hired after February 1, 2013 as they do not accrue Vacation Leave. Employees hired after February 1, 2013 should reference Article 13 of this agreement for their leave accruals.

11.2 All full-time employees covered by this agreement shall accrue vacation leave per the following schedule:

<u>YEARS OF SERVICE</u>	<u>HOURS PER YEAR</u>	<u>Hours Per Pay Period</u>
0 months through 4 years	80 hours	3.08 hours

Vacation days will accrue bi-weekly to the credit of the employee at the rate stated above. Vacation leave shall be earned during the first year of employment, but employees may not take any of their accrued vacation until they have completed the initial six (6) months of employment. The rate of accrual shall change to the higher rate on the first pay period following the employment anniversary (Date of Employment).

Requests for vacation leave must be submitted in writing at least two (2) weeks in advance for vacation leave of five (5) or more consecutive work days. Requests for vacation leave of less than five (5) consecutive work days should be submitted on a day for day basis. Scheduling of vacation leave will be based on seniority and classification within the department for the first request of five (5) days or more. Example: A request for three (3) days of vacation leave shall require three (3) days advance notice. Days shall be construed as working days. The Public Employer will make every effort to meet the written request of the employee consistent with the requirements of its operations. Any portion of said leave which has accrued to the credit of the employee may be taken.

11.5 Absence on the account of sickness, injury or disability in excess of that authorized for such purposes may, at the request of the employee and within the discretion of the Public Employer, be charged against any accrued vacation leave allowance, and is not subject to the time limitations as outlined in Article 11.4.

11.6 Employees who retire or resign in accordance with Article 10 shall either take or be paid a lump sum payment for any unused accrued vacation leave. The option of the lump sum payment for vacation purposes is vested in the Public Employer. The effective date of termination in these cases must allow for the period of vacation leave to which the employee is entitled. An employee who is dismissed for cause will be required to forfeit all accrued leave. Failure of an employee to give proper notice of ten (10) working days with his resignation will result in the forfeiture of all accrued vacation.

11.7 Employees may accrue up to a maximum of four-hundred (400) hours of vacation leave. For purposes of sell back to the County, employees who have accrued four-hundred (400) hours as of September 30th of each year may elect to sell back up to forty (40) hours at the employee's current regular rate of pay. Said payment shall be made in the first payday in December.

11.8 Any vacation leave the employee has accrued prior to the effective date of this agreement shall be credited to the employee.

11.9 All vacation leave, sick leave, compensatory time, and bonus days may be posted on bulletin boards at yards quarterly.

11.10 Employees taking accrued vacation leave shall be charged in increments of not less than one-quarter (1/4) of an hour.

ARTICLE 12 - SICK LEAVE

12.1 Article 12, in its entirety, does not apply to employees hired after February 1, 2013 as they do not accrue Sick Leave. Employees hired after February 1, 2013 should reference Article 13 of this agreement for their leave accruals.

12.2 Employees receiving pay on the active payroll will accrue sick leave bi-weekly at the rate of four (4) hours per bi-weekly pay period.

Employees may accrue up to a maximum of seven hundred twenty (720) hours of unused sick leave. For purposes of sell back to the County, sell back shall be at the employee's current regular rate of pay, for only the unused hours above the seven hundred twenty (720) hours accrued as of September 30th of each year. Said payment shall be in the first pay day in December.

Employees retiring from Nassau County under the terms and conditions of the Florida Retirement System (FRS) shall take or be paid a lump sum for any unused accrued sick leave. Employees laid off in accordance with Article 26.2 shall be paid a lump sum for any unused accrued sick leave. The pay structure shall list every classification (job title) included in Local 630, the pay grade assigned to each classification and the assigned salary range for each pay grade. For fiscal years 2017-2018 and 2018-2019 salary ranges as well as the base pay of Union employees shall be adjusted using the Consumer Price Index (CPI-U), US city average, promulgated by the U.S. Department of Labor, Bureau of Labor Statistics, using the annual average for "all items" most recently promulgated prior to the immediately preceding October 1st or two-point five percent (2.5%), whichever is less. Adjustments made due to the changes in the CPI-U shall be implemented prior to any performance increase.

New Hires

18.3 Original appointment to any position shall be made at the minimum rate of the salary range. Upon recommendation of the immediate supervisor, the County Manager, with approval of the Business Manager, may approve initial compensation at a higher rate than the minimum rate in the range for the class when the needs of the service make such action necessary; provided that any such exception is based on the outstanding and unusual character of the employee's experience and ability over and above the qualification requirements specified for the class, or that a critical shortage of applicants exists.

New employees are required to serve an introductory period of six (6) months following their appointment and/or employment. This period of time is established for the Supervisor and/or Department Head to evaluate the employee's work quality, attendance and other performance factors and to determine how well he/she fits in. It also gives the employee an opportunity to decide whether he/she likes their new job and surroundings. Satisfactory completion of the introductory period shall not be construed to mean that

employees have been given a property interest in their appointment and/or employment with Nassau County and is not considered a contract or guarantee of continued employment.

During the introductory period, Supervisors and/or Department Heads will share their knowledge and help new employees adjust to duties and various procedures. New employees should not hesitate to ask questions so that they may learn as much as possible.

Upon completion of the six (6) month introductory period, a performance appraisal will be completed resulting in either a satisfactory or unsatisfactory rating. Employees who obtain a satisfactory rating will receive a one and a half percent (1.5%) pay increase with eligibility for their next performance appraisal and increase on the October 1st following completion of 12 months in the position.

Employees who receive a performance appraisal reflecting an unsatisfactory rating will be dismissed from employment.

Demotions

18.4 A demotion occurs when an employee is moved from one pay grade to a lower pay grade.

The rate of pay for an employee who is demoted due to a reduction in force shall be established at a point within the pay range of the new classification which provides either no decrease in pay or the smallest decrease in pay possible.

Employees who are demoted due to a reduction in force shall not be evaluated on the October 1st immediately following their demotion as the employee will not have completed twelve (12) months in the new position. However, these employees will automatically receive a three percent (3%) increase contingent upon the employee having no disciplinary actions on file since being demoted. After completion of twelve (12) months in the position, performance increases will continue as outlined in Section 18.6 "Advancement Within a Salary Range."

The rate of pay for an employee who is offered and accepts a voluntarily demotion to a lower pay grade shall be established at a point within the new pay range, which is fair and equitable based upon the employee's education, training and experience relevant to the job qualifications, and shall also be fair and equitable with the compensation of other employees holding that same position.

Employees who are offered and accept a voluntarily demotion will be required to serve a probationary period of six (6) months following their demotion. Upon completion of the six (6) month probationary period, a performance appraisal will be completed resulting in either a satisfactory or unsatisfactory rating. Employees who obtain a satisfactory rating will receive a one and a half percent (1.5%) pay increase with eligibility for their next performance

appraisal and increase on the October 1st following completion of twelve (12) months in the position.

Employees who receive a performance appraisal reflecting an unsatisfactory rating will be dismissed from employment.

However, these employees will automatically receive a three percent (3%) increase contingent upon the employee having no disciplinary actions on file since being transferred. After completion of twelve (12) months in the position, performance increases will continue as outlined in Section 18.6 "Advancement Within a Salary Range."

Employees who are offered and accept a voluntary lateral transfer will be required to serve a probationary period of six (6) months following their transfer. Upon completion of the six (6) month probationary period, a performance appraisal will be completed resulting in either a satisfactory or unsatisfactory rating. Employees who obtain a satisfactory rating will receive a one and a half percent (1.5%) pay increase with eligibility for their next performance appraisal and increase on the October 1st following completion of twelve (12) months in the position.

Employees who receive a performance appraisal reflecting an unsatisfactory rating will be dismissed from employment.

Advancement Within a Salary Range

18.6 All employees will be evaluated annually on October 1st after completing a minimum of one (1) year in their current position. Performance appraisals will be due to Human Resources no later than September 1st of each year. Performance ratings will be determined by the employee's immediate supervisor in conjunction with the Department Head and will be subject to approval by the County Manager and Human Resources or their designees. Employees who receive a satisfactory rating on their annual performance appraisal will be eligible for a performance increase to their base pay effective October 1st until they reach the maximum of their pay range. Performance increases will be determined based on the employee's performance rating, ranging from zero percent (0%) to four percent (4%). Performance increases shall not cause an employee to exceed the maximum of the pay range for the classification.

After proper approvals are obtained, employees shall be given a

copy of their Performance Appraisal form to review as well as the opportunity to discuss it with their Supervisor. The employee will be required to sign their appraisal, such signature shall only acknowledge receipt of the appraisal and shall not mean that the employee agrees or disagrees with his/her ratings. Employees also have the right to respond to the performance appraisal in writing so that it may be included in their employee record.

Employees that are rated unsatisfactory will not be eligible for a performance increase and may be subject to disciplinary action up to and including termination. The County shall provide a copy of unsatisfactory appraisals to the appropriate union steward. If the employee feels that the appraisal was not just cause for denial, he may use the grievance procedure beginning with Step II.

Evaluations shall be standard in writing throughout the bargaining unit as agreed to and signed off on by the Business Manager.

Employees on an extended leave of absence for a period of two (2) months or more, who are not currently working as of October 1st, will not be considered for evaluation until they return to work. Upon return to work, the employee will be eligible for evaluation after ninety (90) days. If the employee receives a satisfactory rating, the employee will be eligible for a performance increase to their base pay retroactive to the date the employee returned to work.

APPENDIX C - TRAINING

PROMOTIONAL TRAINING PROGRAM

It is Nassau County Road & Bridge Department's desire to provide a training program for internal promotions for the positions of Equipment Operator I and Foreman.

This training will be provided as often as possible without adversely impacting daily operations. It is the intent to utilize the employee at each yard with the greatest seniority pursuant to Article 26.1, (provided such employee possesses the required licenses, certifications, registrations, and education required within the job description), that are interested in promoting.

For the position of Equipment Operator I, the trainee will have a current Equipment Operator available to familiarize him/her with the equipment they will be training on and for any questions, comments, or advice on the operation of the equipment.

For the position of Foreman, training will consist of a trainee working side by side with a current Foreman and learning the various job functions performed, i.e. job set up, grade shooting, etc.

Trainees will not be eligible for Out-of-Classification pay during this training period. The training period will be for a maximum of eighteen (18) months for each trainee position, with an evaluation reviewed with the trainee every ninety (90) days while in the program.

In instances where there will be an extended time period before an Equipment Operator I position will become available and the trainee has reached the limit of "seat-time" hours as specified below, training will be made available to the next senior employee at that maintenance yard. Limits are as follows:

Equipment	Hours
1. Grader	400
2. Gradall	400
3. Excavator	400
4. Side-Arm Mower	400
5. Farm Tractor	200
6. Skid-Steer Loader	200
7. Low-boy Tractor Combo	50
8. Front-End loader	No limit; use when available
9. Vibratory Roller	No Limit; use when available

These hours will be documented on a training form and the records will be maintained by the Department.

As part of the Promotion Process for Equipment Operator I or Foreman vacancies included in the bargaining unit, an employee must pass a minimal skills test (mutually agreed upon by management and the bargaining unit), in order to promote to the next vacant position. If the employee with the greatest seniority refuses available training or it is determined that the employee is not showing improvement through the training provided, then said employee will be removed from the training program and the training will then be offered to the employee with the next greatest seniority at the respective yard. If the trainee that applies for the vacant position does not pass the minimal skills test, then he or she will not be eligible to promote to the vacant position, however, he or she will be eligible to retrain and apply for the next available vacancy.

Class "A" CDL TRAINING

Nassau County will provide training for employees to obtain a Class "A" CDL license. The purpose of this training is to assure that the next senior person who may potentially be promoted will have the required CDL "A" license in place. The CDL "A" training session will be offered once every four (4) months with a minimum of one (1) trainee from the Solid Waste or Road and Bridge Departments per training period. A volunteer list will be generated and dated by November 1st of each year. Employees must pass the written test before applying for CDL "A" Training. The list will be based on seniority with preference given to persons who may need licensing for promotion within one (1) year. Employees who sign-up for training each November 1st shall be placed on the list below employees whose names currently appear on the list, and shall be ranked at the bottom of the list in seniority order. Trainees that don't successfully obtain their CDL "A" license during their CDL "A" training will be retrained and retested within 90 days. If again, the trainee doesn't obtain the CDL "A" license, the trainee goes to the bottom of the current list. Employees who apply for training as provided above, shall meet the minimum requirements (permit) prior to receiving CDL Class "A" training.
